General Report Comments: I met Mr. Sauls after work to get more information about the dog that has died. Mr. Sauls gave me access to the property where I observed 1x brown terrier x male loose on the property. The dog is in acceptable condition. Mr. Sauls told me that the Rottweiler x puppy died and he think it was parvo because the puppy was not vaccinated. Mr. Sauls showed me where he buried the puppy. Water and shelter available for the adult dog that's on the property. Nfa until further notice.
