General Report Comments: I was met by the owner Mr. Achilles who told me that his dog,Ginger a brown and white pitbull male was hit by the police van three days ago. I went with Mr. Achilles inside the house and saw Ginger lying inside on a blanket. Food and water is also available, except for the injury, Ginger appears to be in acceptable body condition. Mr. Achilles told me that he is willing to pay for Gingers treatment if someone is just willing to help him. Mr. Achilles also agreed that Ginger can be sterilized. I admitted Ginger,refer to admission D14411 and took Ginger to the Vredenburg animal hospital . Dr. Jacobs will do a scan to see if the leg is broken and what the options will be. Will follow up one we have heard something from Dr. Jacobs. Ginger spend the night at the Vredenburg animal hospital.
