General Report Comments: The person who I met at the house 2x days ago,adhered to the warning and installed a running chain, fixed the kennel but they did not have food for Cheetah. The puppy was inside the house. I asked Joyleen Kaidza to surrender the puppy. While busy talking to Joyleen to surrender Cheetah as well, the owners puppy came and demanded his dog because Joyleen is not the owner of his puppy,he took the puppy and ran off. Joyleen surrendered Cheetah. Refer to admission D14424. No other animals on the property. Nfa until further notice.
