Comments:	I went to the municipal dump site in Hopefield to see if I can find this person called Louqie. Upon arrival I was met by the general worker who works at the dump site,I asked him if he knows a person called Louqi and he said yes but he hasn't seen him today. I asked him if Louqi has puppies with him and he told me he does not know. I told the complainant that they must call the Spca again if they see this person Louqi again because I can't drive to Hopefield everyday to look for Louqi. Nfa until further notice.
