General Report Comments: Nothing has changed since my last inspection. The owner didn't comply with my previous Notice to comply. The dog is still on a short static chain with a collar. There was water available for the dog. I observed some ticks on the dog. I did tried to call the owner but it seems like he blocked me from contacting him. I discussed this case with inspector October and he advised me not to issue another Notice to comply as he will take over the case.
