General Report Comments: The dog named Skollie is now out of the camp and is now on a running chain. Blommie is on a short static chain with a collar. Springbokkie is loose.
Water and shelter observed. The living environment is clean. All three dogs have picked weight and their body condition is now acceptable. I issued another Notice to comply and I will recheck. I will discuss this case with Louise to see if we can't help sterilize the dogs.
