ADEQUATE SPACE AVAILABLE	No ***	The adult female dog is chained
CLEAN LIVING ENVIRONMENT	Yes	
ANIMALS IN GOOD CONDITION	Yes	
VETERINARY PROBLEMS / HEALTH CO	No	
CONFINEMENT OF ANIMALS	On running chain	The property is not properly fenced

General Report Comments: The adult female dog is still on a long running line with a collar on. The complainant did not get her facts right as the dog kennel is still there. Sigmoen made an enclosure and that's where the dog kennel was when Natasha visited of which Sigmoen informed me that Natasha drove away the moment Sigmoen came out of the house. Sigmoen informed me that he made the enclosure so that when the dog gives birth the puppies will not have to walk all over the place. Water and shelter observed. The body condition of all the animals observed is fair and acceptable.
