General Report Comments: The dog named Benji was attacked by a neighbor's Pitbul but fortunately he was not injured as the owner managed to separate the dogs. The owner's main worries is the children playing in the street of which Dephney from the Swartland Law Enforcement came when I was doing the inspection and issued the Pitbul owner with a fine.
Benji is running loose inside and outside the property. His body condition is fair and acceptable. He only sustained a small open wound from the attack. The living environment is clean.
