General Report Comments: Upon arrival there was no people at home. I could see that the warning was not adhered too, and the dog is still tied with a short leash to his kennel. No one has contacted me with a valid reason why the dog is being tied, as the property is fully enclosed. Water and shelter is available. The dogs body condition is acceptable. I issued warning W6595 to untie the dog to roam freely within 72 hours. Will follow up.
