General Report Comments: I received a phone call from Fernandi informing me that there is a homeless person at the dump site in Hopefield who has an injured puppy which was in a bag and the complainant took the puppy but he was in possession of 11 more puppies. The complainant informed me that she called the police and the homeless man ran into the bushes and they couldn't find the other puppies. I went out and before I went to the complainants place I stopped at the dump site and I was told that the person I was looking for is Lucque but he was in the bushes. I proceeded to the complainants house and I fetched the puppy which was vomiting blood. The puppy was surrendered .
