CHECKLISTS

General Report Comments: Upon arrival a person who introduced himself as Jerome came from inside the house. I asked Jerome where the dog Meisiekind is and he told me that Meisiekind does not belong to them and that she always comes there because of the leftover food that the put out for the dogs. Jerome knows that Meisiekind belongs to someone named Pietie but does not know in which street Pietie resides. Jerome also said that he hasnt seen Meisiekind for a while,he thinks the owner propably put her on a chain after he heard the Spca were following up on Meisiekind. No animals on the property. Will drive around to see if i can find Meisiekind again. Nfa until further notice.
