General Report Comments: I saw 1x brown terrier x female with a skin condition. I asked around who the dog belongs too, and the kids in the street directed me to 38 Nickel street, Vredenburg. I stopped in front of the house, I hooted and called out but no one came out. Inside the property I observed a kennel and water. The dog was no longer in the street and ran off. I issued warning W6591 to provide the dog with adequate treatment for the skin problem. Will follow up.
