General Report Comments: I was met by the owner of the dog, Mr. Gunter. Mr. Gunter told me that his dog Chase is 16 years old and he wanted to put him to sleep but Chase is still eating and walking around. Mr. Gunter took me inside the house where I saw Chase lying on a blanket. Chase is still active and walks around. I told Mr. Gunter it's their decision to put the dog to sleep as long as the dog is not suffering, which is not the case in this matter. Food and water was also observed. Nfa until further notice.
