General Report Comments: The owner of the dog Maggie Warries was not at home. Her daughter Michaela informed me that her mother was at work. The adult male Boerboel dog named Max is thin and has a skin condition. I observed water and shelter. The living environment is clean. After I asked Michaela about the dog food she informed me that the food is up and they are going to buy when her mother comes back from work. I issued a Notice to comply advising Maggie to seek vet treatment for the skin condition on Max and to seek a vet opinion on the dog's overall condition within 48hours
