CHECKLISTS

General Report Comments: I went to the property and there was no one at home. There was a light brown pitbul on the property on top of his kennel. I could not see him properly and he did not come to the gate. He did not look too thin from what I could see. The other mixed breed dog came to the gate and was in an acceptable condition. There was water available and pellet food on the ground. There was a bag of food 8kg of Savemore that I understand the complainant put there. I left a warning nr W6599 for the owner to contact me within 48 hours.
