General Report Comments: Jeffrey granted me access to the property, where I observed 2x terrier x dogs loose on the property. Both dogs' body conditions are acceptable. Water and shelter are available. I asked Jeffrey if they have food for the dogs and he took me inside the house where he showed me 20kg of Monty and me dog food. No welfare concerns observed and the dogs are not underweight. I contacted the complainant with my findings and she told me that she is glad that we went out. NFA until further notice.
