General Report Comments: There was no people at home. I saw the 1x tan wirehaired terrier male and 1x brown terrier x female loose on the property. The wirehaired male has a wound on his neck but I could also see that the wound has been treated with purple wound spray. The wound is not open. Both dogs are loose on the property and their body condition is acceptable. Shelter and water was observed. I issued warning W5321 for the owner to contact me within 24 hours. Will follow up.
