General Report Comments: There were no people at home. I saw 2x adult greyhound males on the property. Both dogs are in acceptable condition. Water and shelter is available. I spoke to the neighbours and they told me that the owner Oscar has arranged with Willem who lives opposite to feed and take care of the dogs while he is on duty in Phalaborwa, Oscar is working for the South African Defence Force. The dogs can't be abandoned if someone is taking care of them. No welfare concerns observed.
