General Report Comments: I was granted access to the property by a lady who introduced herself as Marie the owner of Prince the terrier x male in question. Inside the yard I saw Prince a brindle terrier x male lying next to a windy house in the sun. The dog is loose on the property. According to Marie and the neighbours next door they never chain Prince and he is always loose. Other neighbours has confirmed this as well. Prince do have shelter and he is in acceptable condition. Water was also available. No welfare concerns was observed. NFA until further notice.
