General Report Comments: When i arrived the dog named Cocoa was inside the dog house busy giving birth. I observed two puppies as she was still in the proccess of giving birth. Her body condition is fair and acceptable. When i notified the complainant, she informed me that she is concerned because the neighbours are the ones feeding the dog so i advised her that what matters most is the walfare of the dog. There is no walfare concern

ACTIONS

NO ACTION REQUIRED

REPORT OUTCOMES

No welfare concerns found - NFA
