General Report Comments: I saw 1x brown and white terrier z female on the sidewalk. The dog has mange and her front leg looks injured as she can't put weight on it. A lady came from the house and introduced herself as Mrs. Williams the owner of the dog. I asked Mrs. Williams why the dog is in such a condition and she told me that she can't afford to take the dog to the vet. I issued warning W6969 to get the dog to the vet within 24hours. Mrs. Williams decided to surrender the dog. Refer to admission D14802. No other animals on the property. NFA until further notice.
