General Report Comments: I saw 1x white and black terrier x male with a skin problem. I asked in the neighborhood who the dog belongs too and one person showed me where the dog lives. I went there but no people was at home. On the property I did observe water and shelter for the dog. I don't know if the owner is treating the skin problem so I issued warning W6975 to provide the dog with treatment to treat the skin condition. Will follow up.
