General Report Comments: I was met by the owner Mrs. Van Der Vuur who granted me access to her property. On the property I observed 1x brown and white female pitbull called,Bailey, 1x brown and white male pitbull called,Oakly and 1x black and white female pitbull called,Jojo. Bailey has a huge cancer growth on her tummy. Mrs. Van Der Vuur told me that they have an appointment at the vet this afternoon for Bailey to be put to sleep as there is nothing the vet can do for her. The other 2x dogs is in acceptable conditions and no wound or marks observed on either of them. Water,food and shelter is also available. No other welfare concerns noted except for Bailey that has cancer. Will follow up with the vet if Bailey was put to sleep.
