General Report Comments: The address given by the complainant is incorrect. The correct address is 1360 Edward street. The horse was out in the field and Damien took me to where the horse was. He informed me that the horse was tied to a pole just for a few minutes as he was coming from walking with the horse. The horse's body condition is fair and acceptable. The two sheep are at the back of the house and they do have enough space. I observed water, food and shade for the sheep. There is no welfare concern but i will inform the Law enforcement as it is a Bye-Law contravention.
