Comments:	I went to SAPS in Laingville to inquired about Sarah Adonis affidavit that she has made . I spoke to Warrant officer Prinsloo and asked him if a case of animal abuse has been opened and he said no,Sarah Adonis only came and gave a statement. Warrant officer Prinsloo also said that I can't lay charges on behalf of Sarah Adonis and that she is the one who must come to lay the charges as she is the person who saw what happened to the dog. I called Sarah Adonis and told her what Warrant officer Prinsloo has told me and she understood. Will follow up.
