Type:	CAT TRAP
Follow-Up Date:	2025-09-08
Comments:	I met both the complainant Mr Phillip Wake and Mr Geraadt Marits the one who set the cat trap . Mr Marits informed me that the cats are urinating on his stoep . Mr Marits property is not fenced so i advised him to find better ways of deter the cats rather than the trap. He agreed to remove the trap and i asked him what he will do with the cats if he catches them. He said that he will bring them to the Spca. He told me that he will remove the trap when the neighbours have gone back into their properties. Mr Phillip informed me that he will call if the trap is not removed. I will recheck
