| Follow-Up Date: | 2025-10-10                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Comments:       | Mr. Gwadiso contacted me to tell me that he had the puppy at the vet,he sent photos of the treatment to me on WhatsApp. He also told me that Dr. Lucinda at Langebaan animal hospital said that I can give her a call. I contacted Dr. Lucinda at Langebaan animal hospital and she told me that she has examined the puppy and it is difficult to say if the tail was cut off . Dr. Lucinda prescribed some antibiotics and pain meds for the puppy. The puppy was also vaccinated and dewormed and will go back for a follow up in 2 weeks time. Will follow up. |
