General Report Comments: I saw Maxwell walking at the dumping place in Ongegund with the male Terrier X dog named Lustag . Lustag had a cloth wrapped around his left leg and he was struggling to walk. Maxwell informed me that the dog was cut by a panga and Maxwell didn'd seek vet treatment for the dog. I advised Maxwell that i was going to take the dog as i was informed by one guy that Maxwell is homeless. Maxwell was angry in the first place he calmed after he was informed by one member of the public that he is going to be arrested if he doesn't comply. The admission number is D14748. Maxwell gave me an address but i was told that he used to stay there.
