General Report Comments: Happiness contacted Lucky Lucy to help with the vaccination of the dog. Physically the dog looks okay but Happiness said that the dog does not want to eat. I did not observe the lump which the complainant mentioned. I observed water and shelter. The living environment is clean. I explained to Happiness that if the dog doesn't want to eat it means there is something wrong so she must take the dog to the vet. I gave her 48 hours

**ACTIONS**

Warning Issued W6913
