General Report Comments: Maria is the owner of the property and she does not own the only dog that is on the property. Henrico Damon who is a teanant is the owner. Water and shelter observed. The dog's body condition is fair and acceptable. Maria informed me that ever since her dogs were removed by the Law Enforcement she has never had any dogs. I contacted the complainant and she informed me that her husband is the one who saw the dog and she couldn't confirm if there was any walfare concern or if the dog was being neglected. I am closing this case as there is no walfare concern
