General Report Comments: I was granted access to the property by Mr. Mazema who told me he is the owner of the dogs. On the property I observed 1x brown pitbull female,named Sofie,1x black greyhound x female named Blackie and 1x greyhound x male puppy named Cosmo. All the dogs are loose on the property. I confronted Mr. Mazema about the hitting of the dog and he denied it. Mr. Mazema did admit that he sometimes put the pitbull female on the running chain that is installed next to the house as she can be very aggressive towards strangers sometimes. Water,food and shelter was observed. Owner denied that he his hitting the dog,no injuries or marks seen,dogs are loose on the property and not chained as the complainant indicated. I educated the owner on sterilization. NFA until further notice.
