General Report Comments: I saw 1x brown pitbull x male in the street. Upon closer inspection I could see that the dog is starting with a skin problem. The dog went into a yard and a neighbour confirmed that the dog belongs to a lady called Shirley. I went onto the property and knocked on the door but there were no one at home. On the property I observed water and shelter for the dog. Body condition of the dog is also acceptable. I issued warning W6987 to provide the dog with treatment for the skin condition. Will follow up.
