Comments:	I met Mr Collin Jullies and he informed me that Ms Rachel was not at home. He also informed me that three of the puppies are already gone and the rest will be taken by their new owners in the coming week. He also informed me that the mama dog will be sterilized at the end of the month and aunt Dot is helping with the steri. The body condition of the mama dog has improved and the body condition of the other two dogs is fair and acceptable. I will recheck again
