Comments:	On my arrival, I was met by Mr Daniel Wessels, I introduced myself and explained the purpose of my visit. I then observed a white pitbul on adequate running chain with a 3 meters long light chain to the collar. The dog appeared physically looking good in condition with no veterinary problems or health concerns. Adequate shelter was available, living environment was cleaned and water was available. The premises was not yet fenced. The owner did comply by putting the dog on a running chain and provided the dog with adequate shelter. NFA
