Comments:	There was no people at home but from the gate I could observe the two dogs inside the property. Both dogs are running freely inside the property and I observed fresh drinking water. I called Mr Bennet Mashingi on the 10th of October at 10:05 regarding the scratching of the dogs and he informed me that he bought something for the dogs and I must go to property 44 Prosses street where he works for him to show me. The body condition of both dogs is fair
