CHECKLISTS

General Report Comments: On arrival at the premises, I did not find anyone available. From the street, I could see a poultry shelter but could not see inside to confirm if there were chickens present. I did not observe any dogs on the premises.

I then went to the neighbour and asked if they could hand over a notice to comply to the owner/occupier.

I issued Notice No. I006001, which was accepted by Mrs. Kahmila Davids on behalf of the owner/occupier to hand to him/her.

The owner, Mr. Steve, complied as per the notice received by contacting the SPCA After-Hours number 0749853108. He stated that he only has one puppy and that other dogs do enter his premises. He feeds the dogs but they do not belong to him, as they are street dogs. He suggested that he will try to confine them so that I can come and collect them.
