General Report Comments: The SPCA received a call about a dog that was allegedly shot. I went out to the address. I was met by the owner Mrs. Toontjies who told me that there was a gang fight in the neighborhood and the dog called Danger was apparently shot. I asked Mrs. Toontjies to see the dog. We went to the back of the property where Danger was lying in his kennel. Danger had an open wound near his testicals, the wound looked more like a stab wound than a gun shot wound. I asked Mrs. Toontjies if she can afford a vet and she said no, I asked her to surrender the dog Danger to prevent further suffering. Mrs. Toontjies decided to surrender Danger. Refer to admission E7603. There are no other animals on the property. NFA until further notice.
