General Report Comments: On my arrival. I was met by Mrs Caroline Horn who identified herself as the mother of the owner of the dogs Mr Naldo of which he was not present upon my arrival.

I introduced myself and explained the purpose of my visit. I then observed adult Africanis dog brown and white named Lala of +-2 years old with its 4 puppies of 1 weeks old.

The mother dog Lala appeared physically underweight in body condition, and the puppies appeared physically looking good in condition with no veterinary problems or health concerns.

Food was available in the form of dry dog cubes in a small plastic bag approximately making 1kg.

Water was available, living environment was cleaned, and adequate shelter was available with bedding inside. The animals were roaming freely inside the premises although the premises was not adequately fenced and had no gate.

I then issued a notice to comply no. I006009 instructing the owner to:

-provide the animals in your care with adequate and sufficient food on a daily basis .

Mrs Caroline accepted and signed the notice to hand it over to Mr Naldo. See attached notice no. I006009.

Later same day around 16H02 Mr Naldo the owner of the dogs messaged me on WhatsApp 0719979323 and stated that he got the notice regarding his dog and he wants to surrender the mother dog with 2 puppies. I then advised him that I will come pick up the dogs on the 09/10/2026.
