General Report Comments: On arrival at this property I observed the adult maltese female dog and her four puppies in the middle of the road. I approached Mrs Roseline Abrahams who admitted that the dogs are hers. I observed a dog kennel at the back of the house and drinking water. Mrs Abrahams advised me that she can't afford to look after the dogs so I must take all five dogs. I issued a warning advising her to seek vet treatment for any sick animal in her care in future
