General Report Comments: Mr Julian was not at home at the time I conducted this inspection. His wife Mrs Janine Kuys allowed me to do the inspection. There is one male pitbul on this property. The dog named Pablo is on a very short chain without a collar. Pablo's body condition is fair and acceptable. Pablo is using an old steel drum as shelter which is not adequate especially when the weather is too hot. I observed fresh drinking water. I issued a warning advising Mr Julian Kuys to:

- (1)provide adequate shelter
- (2)remove the dog from the short chain
- (3)provide a collar and swivels
