General Report Comments: The owner of the dog Tammy Oliver was not at home and I spoke with her mother Elizabeth Oliver who allowed me to do the inspection. There is one male pitbul dog named Bruno on this property. Bruno is on a short static chain with a collar around his neck. Bruno is very aggressive and I couldn't go close to him. There was fresh drinking water available for Bruno. Bruno does not have adequate shelter as he is using a plastic refuse bin and a broken vehicle as shelter. I also observed Elizabeth giving food to the dog. I couldn't check if the dog has some ticks and fleas as he is aggressive. I issued a warning advising Ms Tammy Oliver to:
(1)provide adequate shelter for Bruno
(2)remove the dog named Bruno from the short chain
