General Report Comments: While doing door to door I came across a black and brown terrier x fake standing in the street. The dog is underweight. I asked around where the dog belongs and some people in the street showed me where the dogs house is, I went there but there were no people at home. Inside the yard I observed a kennel and water. I issued warning W6332 to provide the dog with adequate dog food and to also deworm the dog. Will follow-up.
