Comments:	Masalyn Hoop's brother came to my place to inform me that one of his tenants has a dog that is badly injured after he was run over by a car a few days ago. On arrival I met Masalyn who took me to a toilet where the dog was lying. Testicles were hanging injured and the right back leg was badly injured . I asked Masalyn if she can surrender the dog and she agreed. I issued a warning advising Siphokuhle to in future seek vet treatment for any sick or injured animal in his popossession or care. There is no animals left on the property
