Inspector:	MPHO BALOYI

Type:	GENERAL
Follow-Up Date:	2026-02-06
Comments:	On my arrival doing door to door in DE Hoop Malmesbury, I went to the house Reier street, unfortunately no one was available in the premises, I saw a dog chained in a short static chain, locked inside a kennel that the kennel door was blocked with a wooden pallet, no water for the dog, I issued a notice to comply and left it at the house door.
