Comments:	On my arrival doing door to in DE Hoop Malmesbury, I went into the premises house no 12654, I was welcomed by Mr James, I saw a dog lying down,, Mr James without me asking him any about the dog, he said to me that the dog looks injured and he just saw it te same day 09/02/2026 morning Tha the dog is injured and he does not know what might have caused the injury to the dog, I then convinced him to sign over the dog or he must render adequate veterinary treatment, unfortunately due to his financial challenges, he the signed over the dog to the spca same time.
