General Report Comments: The two dogs are now running freely inside the property. Lushane informed me that the dogs are sleeping inside the house up until the dog kennels being constructed is finished. I observed water and shelter. The living environment is clean. I tried to convince Lushane to speak with his brother in law to have both dogs sterilised but he informed me that Keenan does not want to sterilize. I will make another turn just to check if the owner is still in compliance
