| CONFINEMENT OF ANIMALS          | Static Chain - adequate length      Property is not fully enclosed. |

General Report Comments: I was met by the owner Miena on the property. The owner has asked someone to extend the dogs chain. The chain is about 6 meters long now and the dog has more space to move around. Water and shelter is available. Body condition is acceptable and the dogs living area is also clean. NFA until further notice.
