General Report Comments: I went with Inspector October to this property as the people were very rude. Adrian did not take the dog to the vet and he informed me to take the dog. He loaded the dog named Lucy into the SPCA bakkie. Adrian refused to sign the admission form after being advised by one lady from the same property. I took Lucy to the SPCA kennels in Vredenburg. There is on one dog named King left on the property. His body condition is fair and acceptable.
