|---------------------------------|----------------------------------------------------------------------------------------------------|
| WATER AVAILABLE                 | Yes                                                                                                |
| ADEQUATE SHELTER AVAILABLE      | Yes                                                                                                |
| ADEQUATE SPACE AVAILABLE        | Yes                                                                                                |
| CLEAN LIVING ENVIRONMENT        | Yes                                                                                                |
| ANIMALS IN GOOD CONDITION       | Yes                                                                                                |
| VETERINARY PROBLEMS / HEALTH CO | No                                                                                                 |
| CONFINEMENT OF ANIMALS          | Static Chain - adequate length      Unknown as I did not gain access to the entry no one available |

General Report Comments: On my arrival, went into the complainant house as it is their neighbor, I met Mrs Anna and asked her to allow me to look at the dogs premises over the fence at the house property to be investigated, I then saw 2 dogs each on a static chain light chain of about 3 meters long chained to the collar, clean water was available, and shelter also available.
