General Report Comments: Upon areival there were no people at home. On the property i observed 1x brown pitbull male on a 8 meter long rope attached to the car and 1x white and brown female pitbull also on a 8 meter long rope attached to the car. Water was observed for both dogs. My welfare are as follows:
1. Both dogs dont have shelter and should be provided with adequate shelter.
2. Both dogs need to be provided with proper collars.
3. Although the ropes are long enough,both dogs needs to be put on running chains as the ropes are to long and can easily tangle.
I issued warning W6802 to address above mentioned issues. Will follow up.
